

30 July 1959

MEMORANDUM FOR: Army Member, NIS Committee

SUBJECT: OBI Editorial Worknotes

1. Reference is made to your memoranda of 8 May and 29 June 1959 proposing changes in existing procedures for transmittal of OBI Editorial worknotes and directly related aspects.

2. We acceded to the 8 May request that Army be provided with three copies of the normal types of Editorial worknotes and comments.

3. It is my view, however, that the other changes proposed would have an encumbering effect on the processing of contributions to the NIS, and cannot be instituted at a time when there is such prime concern with shortening as much as may be the period elapsing between preparation and publication of NIS.
